Mayor's Message

To the Citizens of the City of Rutland:

This is my eighth Annual Report, as your Mayor, which I am pleased to submit for your consideration.

At the outset, may I tell you that this past year has been a hectic one with many problems in various areas of City government. We did solve the majority but some remain which, hopefully, can be reconciled before long.

As we enter Fiscal Year 1980-1981, we will face many challenges. Inflation is very much in evidence, as is the energy situation, costs of operating government continue to increase and money problems are a major source of anxiety.

All budgets were carefully perused with department heads. Their demands were numerous but I insisted we keep funding in the proper perspective within our possible income. No frills were permitted and austerity was the rule of thumb. As you might be aware, there are many fixed charges over which we have no control and those expenditures, such as, lights, heat, insurance and fuel are just a few.

However, you have my assurance that I will do everything possible to maintain a tight budget, keeping our tax rate as low as possible, consistent with the best possible services to our citizens.

We wound up Fiscal Year 1979-1980 with a surplus of \$159,455.21. With ever rising costs we were impelled to transfer funds within the departments' various categories, as well as necessary expenditures throughout the year from possible surpluses.

Last year we utilized \$648,100.00 from Revenue Sharing to bolster our tax base which was the largest sum we ever allocated. However, this year, considering the overall situation with mounting costs of government, we allocated \$700,000.00, hoping that this sum would help keep our tax base somewhere within bounds and help the greatest number of our taxpayers.

We will operate Fiscal Year 1980-1981 on an extremely tight budget, to be sure. Considering overall conditions, our tax rate for the ensuing year will be \$4.58. Please believe me when I tell you that we checked every possible area for savings and we did make every effort to keep our tax rate at the lowest level.

One of the most difficult situations I encountered while Mayor is the Center Street Alley Project. The beautification of this area has been talked about for several years and for this past year we were trying to bring this matter to a conclusion. The time and great effort put forth by our City Attorney, Robert Broderick; our Planner, Ted Cacioppi; Thomas Ryan, President of the Rutland Savings Bank; the Downtown Development Corporation and "Yours truly" has been unbelievable. We had to deal with ten different property owners. Countless meetings were held and dozens of long distance phone calls made this situation an almost unsolvable undertaking. One crisis after another presented itself and the principals of the Bardwell turned out to be an almost impossible hurdle.

In order for the City to procure the Federal Grant, the City must have title or long leases from all the abutting property owners. In the meantime, the Bardwell owners and operators went bankrupt. Mike Heims and his parents who hold the first mortgage, became the principals, who reside in Arizona. After much bickering a conclusion was finally reached and Ted Cacioppi was dispatched to Arizona to finalize the signing of the lease for the Bardwell abutting property.

As matters stand now, all situations have been finalized. Specs for bids were issued to those interested contractors. Bids for the Center Street Alley Project were opened on May 22nd. Regrettably, all were over the amount we had funded for the Project. Whitman and Howard, our architects, are persuing the various areas of the project for changes we must make to conform to the funding available. When this situation is rectified, we will go forward with definitive plans.

There has been so much written and said about the Center Street Alley that I want the public to know from me just what transpired this past year. Upon completion, I am sure that this will be a handsome addition to our Central Business District. The Federal government awarded our City \$480,000.00, on September 8, 1979, for this project. The City's matching funds amount to \$120,000.00. I am most happy to report, as this goes to press, the work project started June 16th.

Collective Bargaining Agreements with the City Firefighters and Policemen, who are members of the Union, expired in November and

December 1979, respectively. In the Fall of 1979 the City Attorney with respective representatives from those Departments negotiated new Collective Bargaining Agreements which were concluded in April 1980. The negotiations were primarily concerned with wages. After many lengthy discussions, the parties agreed to a seven and three-quarters percent, (7¾%), wage increase from July 1, 1980 to June 30, 1981. These conclusions were approved by the Board of Aldermen.

The negotiations, while stressing economic issues, also covered various working conditions in which both the City and the Unions sought changes. It may be said that the lengthy negotiations were carried out in a friendly and straight-forward manner without loss of work or threat thereof. While the issue of Binding Arbitration was discussed, the parties successfully negotiated their differences to a conclusion without instigating the impasse and arbitration proceedings.

On Thursday, May 28th, contract talks commenced with the Department of Public Works. Hopefully, negotiations will be amiable and conclusions can be reached within a reasonable time limit.

Last August the Downtown Development Corporation was awarded a \$1.2 million Grant from the Federal government for a low-cost housing project. This will be built on the Hunt Florist property on Church Street. Upon completion, a 46-unit housing development will be ready some time in 1981 for occupancy. A ground-breaking ceremony took place on June 5th. John Russell Corporation was the successful bidder for the project.

This is a much needed project in our city which will avail some of our senior citizens or handicapped persons low-cost, modern housing within a short distance of the Central Business District. This development is authorized to be built and managed by the Downtown Development Corporation, and is entirely separate and apart from the City of Rutland.

The rehabilitation of State Street is further delayed, although I was given to understand that the project would commence this Spring or Summer. I understand now that the State has an increased number of problems with rights-of-way, etc., which will mean further delay. This project is entirely in the hands of the State and, hopefully, the situation can be rectified and the project commencing in the not-too-distant future.

Last October 15th a Horse Race exhibition was held at the Fairgrounds to help raise money for the Mayor's Emergency Fuel Fund. Although the weather did not cooperate and was very poor, the project did raise \$2,130. This year for the first time, the various churches and the synagogue held private fund drives, all of whom contributed generously to the fund. Although we had a mild winter, there were many calls for help from those unfortunate people who needed fuel. We were able to satisfy all legitimate requests.

This year's project for funds will be sponsored by the Rutland Rotary Club and the exhibition will be held at the Rutland Fairgrounds July 19th and 20th.

Lou Brady is General Chairman, with the various Rotary Committees assisting. Two days of horse racing, plus side shows and food sales, should make this year's fund raising fruitful. Hopefully, the weatherman will cooperate with clear and mild weather.

The Mayor's Emergency Fuel Fund has been assisting unfortunate people since the winter of 1973-1974 and has helped approximately 500 families. This Fuel Fund is operated by Aldo Manfredi, our Civil Defense Director, and is in no way associated with City funds.

You have read and heard much about the Rutland Mall, which is located in the Town of Rutland. There have been many meetings by all parties concerned with regards to sewer connections. The only consideration I put forth, and insisted on, is that the Mall makes no additions to their present stores' structure. The Mall is to pay for the connecting material and labor to wherever our sewer touches the Mall area, plus monetary consideration for this privilege. This conclusion is firm in its entirety and our Board of Aldermen will establish the monetary consideration, subject to the Mall's acceptance or refusal. As this goes to press, the matter is still in abeyance.

After much bargaining by the Union and the School Department, which ended in a disagreement, the teachers went out on strike by a vote of 152 to 52 for the first time in the City's history. They struck for a week but were ordered back to work on September 7th by the Judge of the Superior Court. A Court Hearing was scheduled for September 12th and the Judge again stayed his decision. The Union and School Board then tried to get together for reconciliation and after many meetings a two-year contract was ratified by the Rutland Education Association on Wednesday, January 30, 1980.

During early February I received an invitation from President Carter to come to Washington to be briefed on various subjects. May I tell you that I enjoyed the visit very much and learned quite a bit about many important items that are in the news. I met a few of the upper echelon, all of whom briefed us on many items of interest.

On February 23rd Governor Snelling signed the Bill ratifying the election amending the Rutland City Charter. We were very pleased to see these important changes made law which benefit our city operation.

During last October, Alderman Terrance Barrett tendered his resignation from the Board of Aldermen for the reason that he accepted a position in New Mexico. In December, Aldermanic President Allan Merrit accepted an appointment as Administrator for the Department of Public Works. This was approved by the Board. To fill these vacancies on the Board, I appointed Nicholas Barone and Hayden Bride, both gentlemen to fill the unexpired terms.

On January 31st, I appointed Bonnie Graham to the Rutland Planning Commission to fill the unexpired term of Nicholas Barone, that expires on January 1, 1982, who, as stated, was appointed to the Board of Aldermen.

On November 2nd I appointed Robert Dikeman as School Commissioner to fill the unexpired term of Ronald F. Doucette, who resigned.

In December, Sergeant Samuel Gorruso was named "Officer of the Year" during the 26th Annual Policemen's Ball. A good choice.

During January, the Vermont Historic Preservation division awarded \$100,000.00 to the Downtown Development Corporation, will be utilized to rehabilitate seven downtown buildings. When completed, this will further enhance our Central Business District. I am sure you are familiar with other buildings that were redecorated and rehabilitated, that gives our downtown a new look.

On April 9th last, the Board of Aldermen approved my appointment of Attorney Robert West as City Grand Juror and Assistant to the City Attorney. Mr. West has a varied background in all phases of the law and I feel certain he will represent the City's best interests in all instances.

On May 5th, the Board of Aldermen approved my appointment of Charles Spoon, Acting Chief, as Chief of the Rutland Police Department. Chief Spoon, formerly Captain, brings to the Police Department many years of varied phases of Police work and I am sure his expertise and general demeanor will help fashion our Police Department in the best interests of our citizens and City at large.

Chief Spoon promptly appointed as his Captain, Douglas Williams who, too, has been associated with our Police Department for some years and I am pleased with the Chief's appointment. I must say, without hesitation, that both of these qualified gentlemen will successfully operate a top flight Police organization.

On March 1st, last, Sergeant Samuel C. Gorruso retired from active service in the Police Department and on May 1st Alvar C. Wener retired. Come July 9th Emmett J. Fleming will retire. These three gentlemen were outstanding Police Officers and together comprise over 100 years of service to our city. In their retirement we wish them good health and happiness and, with their family, a long life of pleasure and contentment.

The School Department announced in May 1980 that Longfellow School #2 will close as an economy measure. This means that about 150 students will be transferred to two other area schools, thereby effecting a savings to the School Department of approximately \$61,000.00 for the ensuing year.

On June 16th Robert West resigned as part time City Grand Juror and Assistant City Attorney. I nominated John Canney III as successor, who will be voted on July 7th at the next Board of Aldermen's meeting.

On June 18th I appointed Albert E. Trepanier as City representative to the Board of Commissioners of the Rural Regional Public Transit System. He has a wide and varied knowledge in transportation.

We are in the second year of the three-year Southwest Housing Rehabilitation Program which is going well under the direction of Ted Cacioppi. Due to higher inflation, the costs of all materials are up, therefore, about 20 houses will be completed, as compared to last year's 28 houses.

My thanks to all City employees for a job well done.

I am grateful to all department heads for their dedication and devotion to the many City problems.

My special thanks to President Allan C. Merritt, resigned, and President William J. Bloomer and the Board of Aldermen for their understanding and cooperation.

My report would be incomplete if I did not publicly express my thanks to Treasurer, W. Joseph Simonds; City Clerk, John W. Barrett and Assistant Treasurer, Ronald J. Graves for their assistance to my office this past year.

My compliments to Lew Salander for his continued assistance and efforts in the many faceted operations of the Mayor's office.

We were all saddened by the demise of Alderman Howard Shortsleeve, Sr. This gentle person was a strong voice for good government, always trying to represent what was best for our taxpayers and citizens. He will be greatly missed by all at City Hall. Our heartfelt condolences to his widow and family.

Respectfully,
GILBERT G. GODNICK
Mayor

Letter of Transmittal

Fiscal Year 1980 — 1981 City Budgets

Honorable Board of Aldermen
City of Rutland, Vermont

Ladies and Gentlemen:

Pursuant to the requirements of Section 83 of the Charter, I herewith submit the budgets for all departments for the ensuing Fiscal Year 1 July 1980 through to 30 June 1981.

Preparing the budgets this time has been more time consuming than ever. To say it was hectic is putting it very mildly. Nevertheless, all budgets were very carefully gone over with a fine comb with all department heads and, while their demands were many, I insisted we keep funding at low levels and in the proper perspective within our possible income. All frills were certainly cut out and it was most important we keep our spending to a minimum. Of course, you understand there are many fixed charges, such as, lights, heat, fuel, insurance and others, over which we have no control.

In the up-coming year we face many challenges. Inflation is very much in evidence, as are our many other problem areas. Operational costs of government continue to increase and I am sure you agree . . . money problems are a major source of anxiety.

The new union contracts with the Police and Fire Departments have substantially increased their payrolls, with probably others to follow.

Please note that in view of the fact the Board did not specify what course to follow for all non-union employees at City Hall, I advised the department heads to increase their payroll for the ensuing year by 7% to coincide with union increases, as we have done in the past, with the exception of the department heads, whose cost of living increase is \$10.00 per week, or \$520.00 per year. The latter also includes the three Assessors and the Mayor.

Our insurance costs for Fiscal Year 1980-81 point to Workman's Compensation up about 15%; comprehensive coverage will remain the same; there will be a slight decrease in Blue Cross/Blue Shield. Our Pension Plan will move up slightly and our Longevity Program will be about the same, although Social Security costs will increase with the increases in our payrolls.

I have tried to maintain a tight budget and, hopefully, we can keep our tax rate within bounds and, at the same time, must try and deliver the best possible services to our City.

As we move into Fiscal Year 1980-81 there will be many challenges, anxieties and frustrations. I do hope that we can all work together to the benefit of our city and its citizens so that we can combine our efforts in making Rutland a greater city in which to live, work and play.

Respectfully,
GILBERT G. GODNICK
Mayor

City Clerk

Honorable City Council
Rutland City, Vermont

Mayor Godnick, Ladies and Gentlemen:

Submitted herewith as required by Vermont Statutes Annotated, the City of Rutland Charter and Ordinances is the 88th report of the City Clerk and Purchasing Agent.

This has again been a very busy year although some of the work is tapering off due to the economy. Recording appears to be holding up but of course would be much more active again if the real estate business was not on the downside.

After our serious water damage a year ago the office is now back to just like new again. As noted before we hardly missed a day during the time of clean up and paint up. As of now the mildew problem in the vault is solved and hopefully will remain so.

As of 1 July this year the General Assembly saw fit to upgrade most fees in Town and City Clerk's Offices which will of course be of help in the office appropriation.

The Board of Aldermen completed another very busy year with meetings, special meetings, emergency meetings and a multitude of committee meetings. Additionally several Public Hearings were held.

This year saw the passing of veteran alderman Howard H. Shortsleeve, Sr. after a long illness. Alderman Shortsleeve will be remembered for his complete devotion to the office of alderman. Howard worked constantly for a better Rutland. All of City Government will miss him and the people of Rutland can be justifiably proud of him.

As purchasing agent of the City of Rutland I again report a very busy year. I note again the Purchase Agent's job is quite time consuming and perhaps sometime it should become a separate office. We do as noted in the past have the same bids of items such as salt, sand etc. as the State of Vermont does. We try to keep as much of our business in the City of Rutland. We are now required to put items of \$800.00 or more out to bid.

My thanks to Mayor Godnick, the Board of Aldermen and all departments for their understanding and cooperation this past year.

My thanks to the loyal people in this office.

JOHN W. BARRETT
City Clerk and Purchasing Agent
Clerk of the Board of Aldermen

OFFICE OF THE CITY CLERK REPORT OF VITAL STATISTICS

For the Calendar Year 1979

To the Honorable City Council:

The record of births, marriages and deaths filed in this office during the year 1979 was as follows:

Total number of births registered in 1979 791

Total number of deaths registered in 1979 482

Total number of marriages registered in 1979 227

(See statistics below for vital statistics comparison.) (Due to the fact that vital statistics records are reported to the State for the calendar years, we are unable to report for the fiscal year covered by this report.)

JOHN W. BARRETT
City Clerk

State of Vermont.
= Office of the =
Secretary of State.

I hereby certify that the foregoing
is a true copy of an authenti-
cated.

An Act
to incorporate the
City of Rutland.

approved November 12, 1892.

In witness my signature and
the seal of this office at BUR-
LINGTON this First day of No-
vember, One Thousand Eight-
hundred and Ninety Three.

Chauncy W. Brownell
Secretary of State.

City Treasurer

To the Honorable City Council
Rutland, Vermont

Ladies and Gentlemen:

I present herewith the 1980 annual financial report setting forth the financial position of the City of Rutland at the close of the fiscal year ended June 30, 1980.

All debt requirements of the City were met promptly during the year. Serial bonds totaling \$165,000.00 were retired. Payments of \$4,292.91 were also made on the direct reduction loan of the Parking Meter Fund. Combined interest payments on the bonded debt amounted to \$68,129.00, of which interest amounting to \$34,891.50 was paid on outstanding School Construction Bonds.

General Fund: This fund is financed by revenues from general property taxes, licenses, permits, fines, revenue from other agencies, charges for current services and other miscellaneous revenues.

During the fiscal year ended June 30, 1980, revenues actually received were \$37,382.10 greater than budget estimates, and expenditures were \$124,552.45 less than budgeted appropriations.

School Fund: During the fiscal year ended June 30, 1980, revenues actually received exceeded budget estimates in the amount of \$971,728.23 and expenditures were \$875,113.89 greater than budgeted appropriations. As of June 30, there was a surplus in the amount of \$96,614.34.

Revenue Sharing: During fiscal 1980, the City received \$775,659.00 in Revenue Sharing Funds, and interest earned amounted to \$98,650.50.

The combined balance sheet presented as Exhibit A is intended to present an overall view of the financial position of the City as of June 30, 1980.

Summary statement of cash receipts and disbursements presented as Schedule I, summarizes the activity of the various funds during the fiscal year ended June 30, 1980.

Respectfully submitted,
W. J. Simonds
City Treasurer

HOURS AT CITY LANDFILL

Monday through Friday — 7:45 AM - 2:30 PM
 Saturday — 8:00 AM - 12 Noon

Stump Dump hours —

Monday through Friday — 9:00 AM - 12 Noon
 — 1:00 PM - 3:30 PM

Saturday — 8:00 AM - 12 Noon

Stump Dump is for materials originating in Rutland City only.

Closed all day Sundays, and all Holidays.

Further information on the City Landfill operation is to be found in the Department of Public Works Annual Report.

Auditor's Report

The Honorable City Council
City of Rutland, Vermont

Ladies and Gentlemen:

The audit of accounts and financial records of the Treasurer and other Offices of Rutland, Vermont, for fiscal year July 1, 1979 to June 30, 1980, was conducted by the firm of A. M. Peisch. Your auditors concur with their findings.

Examination of the accounts and financial records of the School Department was conducted by your auditors. This examination was made in accordance with generally accepted auditing standards.

In our opinion, the financial records of the Treasurer, School Department, and other offices, fairly reflect the financial condition of the City of Rutland, Vermont, as of June 30, 1980, and the result of operations for the fiscal year.

BURLINGTON, VT
RUTLAND, VT

To the Honorable City Council
City of Rutland, Vermont

We have examined the financial statements of the various funds and account groups of the City of Rutland, Vermont, for the year ended June 30, 1980. Our examination was made in accordance with generally accepted auditing standards, and accordingly included such tests of the accounting records and other auditing procedures as we considered necessary in the circumstances. We did not examine the financial statements of the school fund and we express no opinion on them.

Prior to 1959, the City did not maintain adequate cost records of its General Fixed Assets, so cost could not be established for those assets.

In our opinion, except for the lack of cost data in the General Fixed Asset fund, the aforementioned financial statements which we examined present fairly the financial position of such funds and account groups of the City of Rutland at June 30, 1980, and the results of operations of such funds for the year then ended, in conformity with generally accepted accounting principles applied on a basis consistent with that of the preceding year.

The accompanying supplemental schedules and related information is not necessary for the fair presentation of the financial statements, but is presented as additional analytical data. This information (except for the statistical data) has been subjected to the tests and other auditing procedures applied in the examination of the financial statements mentioned above and, in our opinion, is fairly stated in all material respects in relation to the financial statements taken as a whole.

In connection with our examination, we also (1) made a study and evaluation of the City's system of Internal Accounting Control, (2) performed tests of compliance with the Revenue Sharing and Antirecession fiscal assistance acts and regulations as required by Sections II. C.3. and III. C.3. of the audit guide and standards for Revenue Sharing and Antirecession fiscal assistance fund recipients (guide) issued by the Office of Revenue Sharing, U. S. Department of the Treasury and (3) compared the data on Bureau of Census form RS-9 to records of the City of Rutland as required by Section II. C.4. of the "guide." Our findings are set fourth under the Heading, "Findings" in this report.

September 16, 1980

It Isn't Your Town, It's You

If you want to live in the kind of a town,
 That's the kind of a town you like,
 You needn't slip your clothes in a grip,
 And start on a long, long hike,
 You won't find elsewhere, what you left behind,
 For there is nothing that's really new,
 It's a knock at yourself, when you knock your town,
 It isn't your town, it's you.

Real towns are not made by men afraid,
 Lest somebody else gets ahead,
 When everybody works, and nobody shirks,
 You can raise a town from the dead.

And if while you are making your stake,
 Your neighbor can make one, too,
 Your town will be what you want it to be,
 It isn't your town, it's you.

—R. W. Glover.

**Fire Protection**

To the Honorable City Council
 and My Fellow Citizens of Rutland:

As Chief of your Fire Department, I have the pleasure of submitting its annual report for the 1980 fiscal year.

This department set a new record for fire alarm calls. The old record was surpassed by 73 calls. There was a heavy increase in chimney fire calls and in accidental automatic alarm trips. As predicted in last years report we also had an increase in calls for the Rescue vehicle. This type of call was up by 12 to 339. There was a significant rise in calls to remove trapped victims from motor vehicles involved in highway accidents. The extraction tool known as the "Jaws of Life" has proved invaluable in allowing us to quickly free such victims.

In fiscal 1980 this department recorded 10 general alarms. This is a drop of 4 from last year. The major one of these occurred at the "Double D" store on Cleveland Avenue in the month of January.

Again this year I must sadly report that we had one fire fatality. The death occurred at a residential fire on Robbins Street.

During the year the City Council adopted the N.F.P.A. *Life Safety Code* as a city ordinance. Because of this and with the co-operation of the Building Inspector's office, we have been able to increase dramatically the number of smoke detectors installed in rental dwellings. I am sure as time goes on we will be able to cite cases where these detectors saved life and property.

In closing, I wish to thank Mayor Godnick, the City Council and other departments of the City for their assistance. My thanks also goes to our neighboring fire departments for the mutual aid they willingly gave us when it was needed. To my fellow firefighters a hearty thank you for the outstanding job they did this past year.

Respectfully yours,
 RICHARD M. BARRON
 Chief, Fire Department

Assessor's Office

Honorable Board of Aldermen:

Ladies and Gentlemen:

It is my pleasure to submit the annual report of the Assessors Office for the fiscal year ending June 30, 1980.

This year the Grand List increased approximately 5 million dollars in assessed valuation. This was due to new construction of residences, buildings and renovations to present structures.

Several new businesses moved into the downtown district this past year with the finishing renovations to the Opera House.

As of this date the Assessors are at work on the wind down of the reappraisal of the City, to be completed in the Spring of 1980.

I would like to take this opportunity to thank Mayor Godnick, the City Treasurer's Office, the City Clerk's Office, and all other City Officials for their cooperation and assistance.

Special thanks to my fellow Assessors, Mr. Earl F. Turner, and Mr. Robert W. Fox, Sr., and to our secretary Mrs. Cillo.

Respectfully submitted,
CHARLES M. FRANZONI, Chairman
Board of Assessors

Constable and Tax Collector

To the Honorable City Council:

Ladies and Gentlemen:

I hereby submit my report as City Constable and Tax Collector for the period from July 1, 1979 to June 30, 1980.

Delinquent poll taxes, real estate, and personal property taxes collected amount to \$ 356,425.80. Delinquent water rents and sewage disposal bills were collected in the amount of \$ 44,857.76. Delinquent general bills were also collected in the amount of \$ 5,801.52, for a total amount of \$ 407,085.08.

To His Honor the Mayor, the City Council, the City Attorney, City Officials and employees, my sincere thanks for their assistance and cooperation.

Respectfully submitted,
L. BERNARD WATERMAN
Constable and Tax Collector

Civil Defense

To the Honorable City Council
and Citizens of Rutland:

I respectfully submit to you the Annual Report for the Civil Defense Department for the Fiscal Year ending June 30, 1980.

During the past year the Department was activated at various times for storm emergencies, the severest being the storm of September 6 which gave us much rain and heavy winds.

I attended various meetings and seminars in New Hampshire and New York. I also completed a Radiological Emergency Response Planning Course, conducted by the Federal Emergency Management Agency in Hyannis, Massachusetts.

At the request of the Mayor, the Communications volunteers patrolled the streets at Halloween and conducted a surveillance of the Parking Garage and adjacent areas during the Christmas Holidays when the stores remained opened in the evening. They were to report to the Police Department any vandalism or other occurrences that might happen.

These volunteers also assisted in the search at Clarendon Gorge for a young lad who was lost.

During the year the Rutland City Disaster Plan was completed and copies were printed and distributed to Department Heads. This was done in cooperation with Kelman Craige of the Vermont Civil Defense and Planning Office in Montpelier.

On March 31, 1980 Mr. Richard C. Holmes retired after many years of faithful and dedicated service as Deputy Director of Civil Defense for the State of Vermont. A retirement party was held for him in Montpelier, which I attended.

The Civil Defense office cooperated with local and state organizations in various programs and projects throughout the year.

During the months from October through April the Mayor's Emergency Fuel Fund was administered by me. Many city residents received assistance for the purchase of fuel to heat their homes during this period. The money for this program came from Rutland City Churches, Veterans and Service Clubs, in addition to funds from the Mayor's Horse Race Program held at the Fairgrounds in October.

The Communications division has been strengthened considerably by the addition of 6 amateur radio operators which should give us better capabilities in time of disaster for keeping in touch with the happenings in the surrounding towns a considerable distance from Rutland. We look forward to adding more operators to this section of the Communications division in the future.

The School Crossing Guard Program was completed for another year. All the Guards are to be complimented on the fine work performed by them this past school year and, at this time, I would like to make note that Mr. Victor Soulia is leaving the program after having spent 14 years as a Crossing Guard at various locations in the city and I extend heartfelt thanks to him for the wonderful job he has done in the performance of his duties.

In closing, I would like to thank the Mayor, the Board of Aldermen, City Officials and employees, Civil Defense volunteers, the State Civil Defense staff and the news media for, without their help, it would be difficult for this department to accomplish its mission during the past year.

Respectfully submitted,
ALDO M. MANFREDI
Director-Civil Defense

City Attorney

Honorable Board of Aldermen
City Hall
Rutland, VT 05701

Ladies and Gentlemen:

I respectfully submit the Annual Report of the City Attorney for the fiscal year 1979-80.

During the year the City Attorney represented the Mayor, the Board of School Commissioners, your Board, its Committees and the City Officials as corporation counsel on all legal matters pertaining thereto. Varied oral and written Opinions were given upon request and the City Attorney was involved in extensive litigation, negotiations, contracts, property and corporate matters.

Litigation:

The City Attorney has represented the City of Rutland and the Board of School Commissioners before administrative agencies and in all Federal and State Courts. Various cases were undertaken, concluded, and will continue into the next fiscal year.

Union Negotiations:

During the fiscal year the City Attorney concluded contracts with Unions representing the Police and Fire Bargaining Units and is now involved as Chief Negotiator, in matters pertaining to a Collective Bargaining Agreement with members of the Department of Public Works.

General:

The office of the City Attorney continues to participate in the development of the "Center Street Alley Project" and State Street and Ripley Road condemnation matters which are progressing and pending, respectively.

The City of Rutland saw the Legislature of the State of Vermont adopt a comprehensively revised City Charter during the year. Of special significance was the impact on the office of the City Attorney which revised Charter combined the offices of City Attorney and the City Grand Juror. It is anticipated that the new combination will result in more efficient delivery of services to the people of the City of Rutland.

The City of Rutland and the Town of Rutland continue to pursue legal matters which will affect their relationship. The question of the resolution of the disposal of sewage waste from the Rutland Mall to the facilities of the City of Rutland was again considered this year and negotiations relative thereto continue.

Conclusion:

This past year has seen significant changes in the operation of the offices of the City Attorney and City Grand Juror. The City Grand Juror, acting as Assistant City Attorney, has participated actively in legal matters pertaining to City business and the City Attorney has participated in certain criminal prosecutions.

It is anticipated that the coming year will bring additional complex legal matters to the offices of the City Attorney and the City Grand Juror which matters will involve issues of negligence, violations of the criminal law, contracts, property, and Collective Bargaining negotiations.

Respectfully submitted,
ROBERT E. BRODERICK
 City Attorney

City Grand Juror

To the Honorable City Council and
 Citizens of the City of Rutland:

I respectfully submit the annual report of the City Grand Juror's office for fiscal year June 30, 1980.

For the past year this office has been responsible for the collection of fine revenues in the amount of \$25,679.25, est. In addition the combined efforts of the Police Department and this office collected \$31,675.00 for parking ticket fines.

As of March 14, 1980, this office was combined with the office of the City Attorney. Since that time the two offices have worked closely on the varied legal matters of the City of Rutland.

My association with the City has been brief, yet in that time I hope that the spirit of cooperation already shown between this office and the Police Department and the City Building Inspector continues so that the quality of life enjoyed by the citizenry is preserved.

Respectfully submitted,
JOHN R. CANNEY, III
 City Grand Juror

**Building Inspector**

To the Honorable City Council:

Ladies and Gentlemen:

It is my pleasure to submit to you the Annual Report of the activities of the Department of Building Inspector for the fiscal year ending June 30, 1980.

ORIGINAL INSPECTIONS PERFORMED

Business and Commercial	77
Complaints and Violations	262
Certificate of Occupancy	790

All City Schools were inspected during the month of April.
 Follow-up inspections were performed as required.

APPROVED BUILDING PERMITS

27 New Single Family Residences	\$ 911,000
73 Residential Addition/Alteration	360,580
30 Other Addition/Alteration	518,117
13 Swimming Pools	94,648
16 Residential Accessory Buildings	53,056
7 Demolition	42,800
4 New Commercial Buildings	237,500
1 New Professional Building	65,000
1 School Addition	120,000
2 New Two-family Residences	90,000
1 Industrial Storage Building	16,000
1 City Salt Shed	14,000
1 Mobile Home Pad	1,200
1 Mobile Home Park Extension	n/a
178 Total	\$ 2,523,901

I wish to thank His Honor the Mayor, the Board of Aldermen, the Board of Zoning Adjustment and all other City Departments for their cooperation and assistance.

Respectfully submitted,
L. A. LA MONTAGNE
 Building Inspector

City Planning Coordinator

To the Honorable City Council
and Citizens of Rutland:

I hereby submit the annual report of the activities of this office for the fiscal year ending June 30, 1980.

GRANT PREPARATION

HUD Small Cities Program	\$ 275,000
Second year comprehensive grant	
EDA Energy Grant	\$ 115,460

GRANT ADMINISTRATION

This office is administering the Southwest Neighborhood Improvement Project. This project will span a three year period and, upon completion, the following benefits are projected: rehabilitation of approximately 100 housing units; sewer, water and other improvements at the former Patch Wegner site; and the upgrading of approximately four miles of streets and sidewalks.

ON-GOING ACTIVITIES

Economic Development — Membership in various area economic development groups. This office is involved in the on-going quest for economic improvements in the City. This office has been involved very closely with the Economic Development Council of Southwest Vermont, the funding vehicle for future economic development funds from the federal government.

Equal Employment Opportunity — This office has been designated as the equal opportunity office for the City and is charged with the responsibility of enforcing all federal and state laws pertaining to equal employment opportunity activities. This office has been involved in five EEO complaints and it is anticipated that activity in this area will grow.

This office has a daily working relationship with the Rutland Regional Planning Commission and various state and federal agencies. This relationship will hopefully result in Rutland City being a better place to live, work and play.

I would like to express my gratitude to all who have helped me this past year. I want to particularly thank the Mayor, all Department Heads, the Board of Aldermen, and all commissions and others for their cooperation, patience, understanding, and courtesy shown to me and this office.

Respectfully submitted, J. THEODORE CACIOPPI
Planning Coordinator

Public Works Department

To the Honorable City Council
and the Citizens of Rutland:

I hereby submit the annual report of the activities of the Department of Public Works for the fiscal year ending June 30, 1980.

The Department of Public Works provides a variety of basic services to the Citizens of Rutland. In addition to the major projects listed below, the Department is responsible for the day to day maintenance of City streets, a complex network of sewer collection mains and water distribution mains, the City landfill, the Water Pollution Control Plant, the area comprising the City's watershed and the Water Treatment Plant. In addition, the Department responds to citizen complaints on a daily basis and emergency situations on a 24 hour basis. Citizens are reminded to contact the Police Department for emergency situations when the Department's business office is closed.

STREETS AND SEWERS DIVISION

Donald Foster, Assistant Superintendent
Donald Santwire, Foreman
James Ward, Foreman

STREETS:

Hot Mix (Bituminous Concrete) Paving Program:

3,383 tons of hot mix was placed by our contractor, Whitcomb Construction Co., at a cost of \$75,154.57.

Streets paved (or portions of) were as follows: Stratton Rd., Curtis Ave., Campbell Rd., Killington Ave., Mussey St., Center St., Bellevue Ave., River St., Aiken Place, Reservoir Rd., Piedmont Parkway, Sewage Treatment Plant Rd., and Cardinal Place.

Curb & Sidewalk Projects:

The Department installed 1,270 feet of new concrete curbing and 310 feet of new concrete sidewalk. Also 284 feet of hot mix sidewalk and 622 feet of hot mix curbing was installed.

Street and Drainage Projects:

Park Court/Clark Street Storm Drain
630 feet 8" diameter vitrified clay pipe
4 Catch Basins

SEWERS:**Sewer Main Projects —**

Curtis Ave. — 510 feet 12" dia. vitrified clay pipe

Washington St. & Wales St. (replaced) —

89 feet 12" dia. vitrified clay pipe

5 feet 5" dia vitrified clay pipe

15 feet 8" dia. vitrified clay pipe

10 feet 6" dia. vitrified clay pipe

Hilltop/Robinwood Lane — 1,850 feet 8" dia. vitrified clay pipe
6 manholes

Service connections installed/repared	21
New manholes	19
New catch basins	19
Sewer mains repairs/plugs	15
Sewer plugs - private	61

WINTER MAINTENANCE:

The Winter of 1979 to 1980 had a total accumulation of approximately 29" of snow. A total of 1,904 tons of salt were used costing \$47,600.00 as opposed to the previous year's amount of snowfall of 72" and the salt used of 3,051 tons.

Also, 559 tons of winter sand was used. This included periodic filling of sand boxes located at selected locations within the City.

SOLID WASTE DISPOSAL:

In the March 1979 election, the City of Rutland along with 21 other Rutland County towns voted to form the Rutland County Solid Waste District. This new Solid Waste District will have the task of establishing a landfill site and/or Recycling Center to serve Rutland City and the other member Towns throughout the County.

CAPITAL OUTLAY:**DPW Engineering:**

One 1979 van

Streets:

One 3/4 ton pickup truck

Installed one 2,000 gallon gas tank and gas pump

Installed eight overhead fans in garage

Winter Maintenance:

Constructed an addition to existing salt storage shed

Water:

One water leak detector

One hydrant steamer thawing machine

One 3.4 ton pickup

Two turbine pumps

Constructed a river bank core wall at the Pre-Chlorination building site

Completed installation of approximately 2,300 feet of fence surrounding the reservoir

WATER WORKS DIVISION

Harry Jasmin, Water Resources Manager

WATER RESOURCES

The Rutland City Watershed comprises 12,000 acres of which over 4,000 acres are owned by the City of Rutland as City forest. The 35 miles of brooks originating on it have filled Rutland Reservoirs since 1978.

Maintenance of water quality in our Reservoir requires good sanitation practices on our watershed and the surveillance of tributary streams to maintain the quality of water entering the reservoir.

Installations inspected for proper sewage disposal facilities:

Gas Stations	1
Motels	13
Restaurants and Diners	11
Ski Lodges	8
Condominiums and Apartments	5
Alpine Village	37
Private Homes	195
Business Complex	2
Commercial	18
Trailer Camping Ground	1

Total	303
Number of inspections	278
Number of violations	2
Number of violations Corrected (1)	Being Corrected (1)

The results reported from the Vermont State Laboratory of untreated water samples have indicated untreated water of good quality.

It has been an active year for construction in the watershed including several new homes and a new gas station. Also, the repair and expansion of a number of commercial and private buildings reflects the increasing land use of our watershed.

WATER POLLUTION CONTROL PLANT

I hereby submit the Annual Report of the Water Pollution Control Plant, Rutland, Vermont for the fiscal year ending June 30, 1980.

A total of 1,907,752,000 gallons of sewage and storm water was processed at the plant during the past year. In addition 97.5 cubic yards of grit was removed from the system together with a various assortment of debris other than sanitary waste, the latter directly attributable to the undesirable combination system presently utilized in this operation.

We have had several breakdowns in equipment during this period which is to be expected in an operation such as this, but the most costly occurred when one of the pumps at the main pumping station was severely damaged by a large rock puncturing quite a large hole through the volute. Also, early in June our number one Digester was put out of commission because the Gas Dome was badly eroded. Necessary repairs were long and costly, however, both are back in operation.

As in the past we are honored to have such large numbers of interested citizens, students and others touring the plant. The complementary comments received from many of the visitors are greatly appreciated. We are looking forward with pleasure to more visits from these groups.

The cooperation received from this and other departments is acknowledged with gratitude. I would like to again personally thank all employees at the plant for their dedicated and faithful services and look forward to their continued cooperation.

Respectfully, submitted,
P. J. BARONE,
Superintendent

WATER TREATMENT

Rolla Jasmin, Water Treatment Manager

During the 1979-1980 fiscal year there were 360-150 lb. cylinders of chlorine used for treatment for the city at a cost of \$8,570.78.

There were 130 lbs. of granulated chlorine used on streams in the City watershed and on the banks of the reservoir.

There were 400 lbs. of copper sulphite used for treatment of algae control at the City reservoir.

Monthly water system operations reports were sent to the State Division of Environmental Health in Burlington, Vermont. These reports include the results of daily testing for coliform bacteria and turbidity.

There were 955 tests of free and available chlorine, P.H. and temperature taken throughout the City of Rutland and the results catalogued.

A total of 725 samples of treated water from the City's distribution systems and untreated water from the City's reservoir was sent to the Vermont Health Department Laboratory for analysis.

Streams and tributaries to our Reservoir are sampled and tested regularly at the Vermont State Public Health Laboratory to detect any marked change in the quality water. If any sample shows evidence of pollution, that stream is resampled immediately. If the second sample shows similar abnormalities, we work our way upstream searching for the source of pollution.

Also, a chain linked fence was completed around the City reservoir.

WATER DISTRIBUTION

Bruce Matt, Water Distribution Manager

	1977-78	1978-79	1979-80
Main Extensions	1,037 ft.	1,036 ft.	1,530 ft.
New Hydrants	7	11	6
Hydrants Repaired	25	20	30
New Service Connections	23	23	12
Relay Services/Repairs	51	29	25
Curb Boxes	80	85	75
New Meters	285	135	104
Repair Mains	15	6	6
Repair Valves	6	10	5
Install Valves	10	12	20
Replace Meters	0	79	84
Outside Meter Readers	0	185	189

ADMINISTRATION

The Administration staff cheerfully responded to numerous citizen complaints and requests for information. Over 1150 work orders were issued during the year dealing mostly with citizen requests for work to be done by the Department.

The staff also performed the routine payroll, accounting and bookkeeping tasks required by the Department.

The Administrative staff consists of Patricia Avery, Coletta Franzoni, Mary Muzzi and Arthur Courcelle.

Romeo Lancour retired on October 12, 1979 after eight years of service with the Department's Streets and Sewers Division. Also, Harold Taylor retired on March 31, 1980 after fourteen years of service with the Department's Water Division.

Mr. Allan Merritt joined the staff of the Department as Administrator in December 1979.

ENGINEERING

The Engineering staff provides survey, design, and other engineering services for all divisions of the Department and for other departments within City government.

In addition to providing these services, the Engineering Division complies and constantly updates plans and records of water and sewer facilities, reviews building permits, prepares estimates, writes contracts and specifications for jobs let out for bid, provides information to contractors and others concerning City utilities, prepares necessary easements and performs other duties of an engineering nature as required.

Plans and survey layouts were provided for the following major projects during the year: Robinwood Lane and Hilltop Road — sewer, water and street extensions; Park Court-Clark Street - storm sewer; addition to existing salt shed at the City garage which increases the City's salt storage capacity by 100%. This addition will help to insure an adequate stockpile of road salt in the event of shortages or other supply problems as have been experienced in the past.

Sidewalk and curb improvements under the federally funded Southwest Neighborhood Improvement Project were designed, laid out and supervised by the Engineering Staff.

Forty three building permits were reviewed in conjunction with the Building Inspectors Office.

The City has finally received approval and funding from the U.S. Environmental Protection Agency to do the Sewer System Evaluation Survey of the City's sewer collection system. This is the final step before final design of improvements to the City's sewer system and wastewater disposal plant.

The Engineering Staff includes Alan Shelvey, John Havens and Norman Favor.

CITY FOREST

Dave Richards, City Forester, was in charge of all forestry work both in the City and in the 4,000 acres of city owned forest in the watershed.

Timber Cut	80,000 BF
Timber marked for cutting	90,000 BF
Pulpwood marked for cutting	12 cords
Timber stand improvement work	20 acres

City Tree Program —

Removed	43
Planted	75
Tree Maintenance (includes pruning, cabling, fertilization)	288
Elms sprayed	550

I would like to thank and commend all the personnel in the Public Works Department for their dedication and professional manner. I would also like to thank the Mayor, the Board of Alderman, particularly Public Works Committee Chairmen Nick Barone and Robert Stafford, and the other Department Heads for their cooperative and courteous attitude towards the Department.

The Department of Public works should and will continue to serve the citizens of the City of Rutland to the best of its ability.

WARREN E. CONNER
Commissioner of Public Works

 to Personal Property for year July 1, 1980 to June 30, 1981. After
 May 15 May 15, delinquents will be subject to a 5% penalty.
 June 2 Last day for Mayor to submit annual budget to the Board of
 Aldermen.
 June 30 Last day for action by the Board of Aldermen on the Mayor's
 annual budget.
 July 20 The Board of Aldermen have to set the Tax Rate by this date.

Recreation and Parks

To the Honorable City Council
and Citizens of the City of Rutland:

I respectfully submit the Annual Report of the Rutland Recreation and Parks Department for the fiscal year ending June 30, 1980.

*HERITAGE CONSERVATION AND RECREATION SERVICE (HCRS) PROJECTS

*White Playground Improvements

On January 23 the city awarded NELSCO (Northeast Lighting and Signal Co.) and its subsidiary, the Chamberlain Excavating Company a \$189,777 contract for construction at White Playground. The improvements were to include five (5) new tennis courts, two (2) platform tennis courts, two (2) basketball courts, an "adventure" playground, wading pool, removal of concrete around existing pool and replacing it with grass, as well as providing portable stairs for the handicapped. By early June the work on the pool area was to be completed and by September 30, the entire job was to be done. By mid May it was obvious that NELSCO was in trouble. At the end of June, the matter was in the hands of the bonding agent, CG-Aetna of Hartford Connecticut, who is responsible for finding a new contractor and having the work done for the original price-tag. The city's loss on the Project is "time."

*Rotary Field Project

The first City League Softball game was played at Rotary Field since the end of the 1977 season on May 19, even though work there has not been completed to the Department's satisfaction. Work on the field included installing a sewer system, better drainage methods, and burying of wires. Despite extensive work by Chamberlain Excavating Company, problems still exist, mainly with reseeding and establishment of turf. The proper legal mechanism has been put into operation to insure correction of the problems to the city's specifications.

Recreation Center Study

A study of the existing facility, the Lawrence Recreation Center to determine its usefulness in the future and possible solutions was made along with the feasibility of constructing a new building at a new site. Both these studies were undertaken by "Rist-Frost and Allen Organization" Park and Recreation Planners of Glens Falls, New York.

CITY PLAYGROUNDS June 18 through July 27
9:00 A.M. - 12 Noon Southeast Northeast
Giorgetti Rotary Msgr. Connor Park

SPECIALIZED ACTIVITIES

Afternoons & Evenings

The Annual Playground Carnival this summer entitled "*Good Old Summertime*" was held in Main Park. Each playground was responsible for a booth or game, and prizes were donated by Rutland merchants. A total of \$193.00 was earned and donated to the "*Lenny Burke Fund*."

RUTLAND DAY CAMP July 30 - August 10 Giorgetti Park

Camp hours were from 9:00 A.M. to 3:00 P.M. with emphasis on promoting environmental awareness. A Summer Food Service Program was initiated through the Vermont Department of Education and our Department whereas free lunches were provided to every camper.

OUTDOOR FACILITIES

Fields	Pools
2 Little League	1 Olympic Size
3 Softball	1 Wading
1 Baseball	Other
Play Areas	11 Tennis Courts
4 City Owned	2 Paddleball Courts
2 Mini Parks	6 Basketball Courts

SUMMER ACTIVITIES

Basketball Camp	Basketball Leagues	Softball Leagues
July 9 - 13	H.S. - 6 teams (boys)	Mens and Womens
Grades 5 - H.S.	H.S. - 5 teams (girls)	52 Teams
Giorgetti Park	Open - 11 teams	
Midget League	Mitey Mites	Sr. Babe Ruth
Ages 10 - 12	Ages 7 - 9	Ages 13 - 16
12 Teams	24 Teams	6 Teams
Jr. Babe Ruth	Gymnastics Camp	Track Camp
Ages 12 - 14	July 9 - July 20	June 25 - July 5
6 Teams	Aug. 6 - Aug. 17	Ages 6 - 14
	Leo F. Keefe Gym	
Creative Playground	Circus Time	Acrobatics/Tumbling
Ages 4 and 5	June 18 - July 6	June 18 - July 16
June 25 - July 13	Ages 8 - 12	Ages 8 - 12
July 16 Aug. 3	Basics of Circus skills were taught.	All abilities

Frank Crowley Memorial Road Race

Renamed in honor of Frank Crowley, the first person to win the Proctor to Rutland run — 6.2 miles.

Tennis

Ralph H. Seely Memorial Jr. Tennis Tournament; Adult Tournaments — Singles and Doubles; Mini Leagues; Moonballers Tourney; Youth Tennis Foundation Clinic, all ages; Lessons — ages 7 through adult — all abilities.

Hershey Track Meet

Held July 14 in South Burlington, VT. Winners selected to compete in the Nationals were: Tricia McCaffrey, 12 Harvard Street — Standing Long Jump; Ray Adams, 37 Pierpoint Avenue — 100 Yard Dash.

OTHER EVENTS

State Track Meet	Overnight Hikes	Yo-Yo Olympics
State Swim Meet	Drama Group	Street Hockey
NBA Hotshot Basketball	Leather Workshop	Golf Lessons
Pitch, Hit & Run	Frisbee Contest	Rock Concerts
Bicycle Trips	Hula Hoop Contest	Band Concerts

WHITE SWIMMING POOL

Lessons 9 AM - Noon

June 18 - July 6	Beginner	Classes
July 9 - July 27	Advanced Beginner	Advanced Swimmer
July 28 - August 17	Intermediate I and II	Basic Rescue and Water Safety
	Swimmer I and II	Advanced Lifesaving
	Adult Lessons	Water Ballet & Diving Class

Adult Swim: Noon to 1 P.M. weekdays.

Recreational Swimming: Weekdays 1:00-8:00 p.m. / Weekends 1:00-6:00 p.m.

FALL AND WINTER PROGRAMS FOR YOUTH

Pre-School Sessions — ages 3-4	Cheerleading Clinic & Competition
*Pre-School Acrobatics	Babysitting Course
*Pre-School Dance	Recreational Swimming, VAC all, ages
Childrens Theatre	Cross Country Skiing
Elementary Arts & Crafts	Karate
*Physical Education as a Way of Life	Modern Dance
*Martial Arts	Teen Dances
Hunter Safety Class	*Self Defense
Archery Instructions	Open Gym
Basketball, Elementary	Teen Cellar w/Pool, Ping Pong,
Basketball, High School	shuffleboard, Air Hockey &
*Acrobatics/Gymnastics	Foosball.
Hiking Program	Movies
Flag Football	

*New

FALL AND WINTER PROGRAMS FOR ADULTS

Karate	Square Dance Lessons
*Martial Arts	Mainstream Plus Sq. Dance Workshop
*Self Defense	Crossroads Sq. Dance Club
Womens Fitness	Basketball, Mens League
*Body Conditioning	Volleyball Leagues, Mens, Womens
*Modern Dance	& Coed
*Dancercise	Racquetball Instruction
Hatha Yoga	Flag Football League, Mens
Quilting	Cross Country Ski Program
Kickboxing	Open Gym
Stamp Club	Sauna Facility
Coin Club	Ice Skating
Holiday Wreathmaking	

*New

FAMILY PROGRAMS

Pre-Season Ski Fitness

A program designed to condition the "Whole Family" for the ski season, prevent injuries, make skiing enjoyable the first day of the season and through conditioning, be a more skillful performer.

Cross Country Skiing

The Blueberry Hill Ski Touring Center in Goshen, in conjunction with our Department sponsored lessons at the Rutland Country Club. Included with the instruction was the fitting of the skier with equipment.

Skating Lessons

Lessons were conducted at Giorgetti Rink under the direction of Chris Cady and Cheryl Cross for all ages and abilities. Over 100 participants took advantage of the eight (8) weeks of lessons.

Halloween Parade

Helping to celebrate the "20th Anniversary" of our Halloween Parade were the "Superheros," defenders of Justice, with Batman, Superman, Thor, local bands, floats and marchers. The parade was held Saturday, October 27 on nippy eve, with our "Pumpkin Princess" Miss Martha Hurcomb, of Mt. St. Joseph Academy leading off the parade. The elusive, wily mysterious pumpkin-person, known as JACK O' LANTERN was unmasked and found to be Fire Chief Richard Barron. Winning a bicycle, donated by K-Mart was Robert Danforth, Jr., age 11, who's correct guess was drawn by O'Lantern. Tropies were awarded to the following for float entries: *Most Creative* - Shrewsbury Elementary School, *Most Original* - Vermont Achievement Center; and *Most Artistic* - Mill River High School.

Dog Obedience Classes

Held in the Spring and Fall at Rotary Field House under the instruction of Mrs. Pearl Fuller, Classes run ten (10) weeks. Dogs must be 5 months old and fully inoculated.

CHRISTMAS EVENTS

Annual Toy Project

Once again we'd like to thank all those who donated toys or money to our Project, with special thanks to the congregation of Immaculate Heart of Mary Parish, the Golden Age and Bingo Groups of the Rutland Senior Center. The Department this year was seriously lacking in good or new toys and made a last minute call to the public for contributions so that the 139 families on our list were not deprived of some type of Christmas. Unfortunately each year the list of needy grows, and contributions dwindle.

Special Events Included

Christmas Crafts	Walt Disney Movie
Wreathmaking Workshop	An "Outdoor Adventure"
Christmas Party	Christmas & New Years Dances
Family Caroling	Christmas Basketball Tournament
Story Hour	Swimming at VAC

Phone Calls From Santa

Mom or dad were asked to stop by the office and fill out a questionnaire for their small children so "Santa" could make a phone call to them. The program proved rewarding both to the children and "Santa" who was played by various Senior Citizens. Parents remarked their children were delighted and their eyes lit up when they heard "Santa" on the other end of the telephone.

Vermont Special Olympics

The third annual Vermont Special Olympics Poly Hockey Tournament was held with a record 15 teams competing. The event was held with preliminaries at the Lawrence Recreation Center to determine the abilities of the competing teams and placement. Competition was held at R.H.S. The Department co-sponsored the event.

Clubs and Organizations Using Recreational Facilities

Rock & Mineral Club, Garden Club, Labor Relations Board, Trout Unlimited, Republican Caucus, U.S. Bureau of the Census, Dorris Drive Christian School, The Way International, Bennington-Rutland Opportunity Council, Vermont Agency of Transportation, Vermont Headstart Directors Association, Moonbrook Arts Union, Crossroad Squares, Rutland Mental Health, Newcomer's Club, Elks Lodge, M.S.J. Academy, Rutland High School, Southern Vermont Softball League and the National Council of Senior Citizens.

SENIOR PROGRAMS

The Rutland Recreation & Parks Department, Senior program has enjoyed an active, and diversified year, with participation among seniors increasing to approximately 38,000 persons.

The Center, located on Deer Street, also serves as a meal site for the Rutland County Nutrition Program, serving 16,000 meals, including a traditional Thanksgiving Dinner.

This year, The Department worked to increase, and did so successfully, 1) participation of nursing home residents, and community care homes; 2) continued development of informational and educational programs, *i.e.*, health seminars, energy conservation programs and assistance, crime prevention, to name a few; 3) developing and augmenting recreational activities of all types.

It has become a tradition of the Seniors to visit the nursing and community care homes, and to present gifts to the patients at Christmas time and Easter time. A large ceramic tree was presented to each home, and miniature Easter baskets filled with flowers were given to each patient.

During the year many special evening events were held: Halloween Square Dance; Annual Christmas Dinner and Dance, assisted by the New England Telephone Company, Pioneer Division. February brought a Valentine's Party, and in April the first of our nationality nights . . . "Italian Night."

One of the many services available to Seniors through the Department is tax assistance. The program was expanded to include all tax forms; state, federal, renters and home owners rebate. This was possible through VITA (Volunteer Income Tax Assistance) headed by Albert "Monk" Martin.

Other services include health check, and foot care. The blood pressure checks are handled by volunteer retired nurses: Blanche Criccion, Pat Tucker, Sophie Curtis, and Chris Bove. The foot care is handled by the Visiting Nurse Association. In addition, the program provides accessibility to the discount program, and the senior bus pass program.

Long and short excursions were made through the year. Trips were made to Fenway Park, The Ice Follies in Boston, The Bob Hope Show in Glens Falls, a cruise on historic Lake George, as well as apple picking, foliage tours and shopping trips.

In the realm of educational programs, the Department sponsored **The Remembered Past, 1914-1945**. This was accomplished through a grant from The National Endowment on the Humanities, and the State Office on Humanities. Twenty (20) persons participated in this exciting program, recalling through their own experiences, films, and personal memorabilia, those tumultuous years.

Many classes and activities of the Department are conducted by Seniors. Our thanks go to Nora Job, Miles Finch, Ruth Ross, Lin Anderson, Lora Preston, Jim Alley, Catherine Hance, and Campbell Grimes for their expertise, and knowledge, and enhancing the program.

The Recreation Department van plays an integral part in the senior program. The van is used to transport many seniors to and from the center, and to outside community activities. Without it, many seniors could not participate in the Departments programs. During this year an estimated 7700 persons used the van.

RECREATION PROGRAMS AT THE CENTER

Oil painting	Chorus
Rughooking, braiding, and latching	Piano lessons
Ceramics	Ballroom dancing
Copper enameling	Poker
Jewelry making	Bingo
Needlecrafts	Whist
Quilting	Pool
Wreathmaking	Pool Tournaments
Senior Home Demonstration Club	Picnics
Sewing Bee	Barbecues
Chair Caning	Concerts
Low Heat enameling	
WWI Auxilliary	
Christmas Decorations	
Rutland Council	

Vermont Council on the Arts

Robert Goss
Green Mtn. Volunteer Dancers
George Sherwood
Peter Driscoll Mime

SPECIAL EVENTS, TRIPS AND EXTERNAL PROGRAMS

Bob Hope Show,	Bowling League
Glens Falls Civic Center	Golf League
Red Sox Game, Fenway Park	Vermont Marble Exhibit
Ice Follies, Boston Garden	Otter Valley Railroad
Lake George Cruise	Art Exhibits
Crossroads Art Performanc	Howard Bank
Castleton Fine Arts Center	Vermont State Fair
Apple Picking	Nursing Home Visits

Crime Prevention	Social Security
Fire Safety	Medicare
Vermont Job Service	Energy Conservation
	Energy Audits

LONG RANGE PLANS

1. Continued Development of Giorgetti Park.
2. New Recreation Center with Indoor Pool.
3. Physical Fitness Trails

FISCAL NEEDS FOR THE DEPARTMENT

1. Department Park Policemen
2. Lighting of all Municipal Athletic and Recreation Facilities.
3. Maintenance Garage.
4. More Maintenance Equipment.
5. Irrigation System for Fields.

My sincere thanks and appreciation go to the Mayor, Board of Aldermen, members and citizens of Rutland for their support and encouragement, my staff, Thomas Chesley and the School Board, all volunteers who contribute time and energy so willingly, Bob Dikeman and C.V. for thier use of equipment and volunteering of staff during their off duty hours.

Total expenditures were: \$ 318,301.22

Total receipts were: \$ 12,929.30

Respectfully submitted,
JOHN W. CIOFFREDI, Superintendent
Recreation and Parks Department

Library Treasurer

Honorable Gilbert G. Godnick

Dear Mayor Godnick:

I am happy to enclose the Financial Report of the Rutland Free Library Association, Inc., covering the period from July 1, 1979 to June 30, 1980.

On behalf of the Trustees, may I take this opportunity to express to you and to the members of the Library Committee, as well as the Board of Aldermen as a whole, our sincere appreciation for your cooperation and support in allowing our Library Association to offer a quality service to the people of Rutland.

Sincerely
PAUL HARDY
Treasurer

Rutland Free Library

REPORT OF THE LIBRARIAN

For the Year Ending June 30, 1980

To the Honorable City Council
and the Citizens of Rutland:

It is a pleasure to present this annual report as Director of the Rutland Free Library.

Library use continued at a high level during the year. Making library materials and programs available is part of the constant effort towards meeting public needs and demands. Another part of this effort involves maintaining and improving the building facility.

Plant and Furnishings

Several more projects were carried out which involved the building and its furnishings this year, while more are being planned or are being studied for possible implementation in the near future. Since the first energy crunch of 1973-74, a number of energy saving steps have been undertaken in the library's operation. This year the thirteen fireplaces throughout the three floors of the building, which was erected in 1858, were insulated. The windows of the third floor, which is used for storage purposes, were insulated with plastic sheets inside.

In the coming months a complete working of the now partially insulated attic over the old portion of the building is planned. Replacement of the pre-World War II furnace with a modern boiler also is being considered and studied in the interests of long-term energy savings.

The sump pump was replaced in the new basement. Several severe backups from the main water/sewer line which runs underneath the old basement, however, may presage work on that old line.

Carpeting of the upper adult stack level was completed. New drapes replaced the worn ones in the five windows of the library's adult reference and circulation sections. Custodian Earl English adjusted overhead light fixtures in the Fox Room. A marked improvement in the auditorium lighting resulted from this.

Indoor/outdoor carpeting was installed on the outside steps leading to the lobby entryway. Painting of the weathered lower window and door areas outside was done by the custodian. A replacement of the wooden bulkhead cover to the Civil Defense hatchway with a metal cover, by the DPW, avoided a possible hazard.

The library placed a sign on the east outside wall of the Lawrence Reading Room which calls attention to the ramp access provided for individuals who may require a step-free entryway. Interest continues to be

expressed in an elevator to the Fox Room and to the other levels of the library. Much study has been done in this area, documenting needs, uses, and potential site locations, and sources of possible funding are being searched.

A state administered grant provided for the purchase of a second cabinet to house the file of Rutland Heralds on microfilm. Library friend Carmine Pacca helped avoid a large repair bill for the old microfilm reader when he was able to remedy a problem with a replacement part at very minimal expense.

Vermont Room

The Vermont Historical and Genealogical Collection continued to grow, with acquisitions during the year requiring a shifting of one section of books to the annex room which adjoins the Vermont Room proper. Use of this room, especially of the genealogical section, keeps increasing, as research on family trees becomes increasingly popular. The library and community can take justifiable pride in its substantial Vermont Collection.

Fox Room

A series of Sunday afternoon concerts and a continuation of the "Women and Literature" series were featured this year among the large variety of programs, all free and open to the public, offered this year in the Nella Grimm Fox Room. Program Director Patricia Bates will be heading a new two-year "Humanities and the Public Libraries" project beginning later this summer, with the Rutland Free Library serving as co-sponsoring organization along with the Vermont Library Association, and with all expenses paid by a National Endowment for the Humanities grant. Mrs. Bates' successor as Fox Room Directed is to be selected this summer.

Library Staff

Mrs. Gail Baker replaced Miss Margery Loveland, who retired last summer after many years of service, in the adult department. Also resigning to concentrate on her college studies was Mrs. Merlyn Lyon, who was replaced by Mrs. Jane McNeil. Mrs. Baker and Mrs. McNeil both brought extended experience as Rutland elementary school librarians with them, which they utilize in their adult department duties and in assisting with story hours and other children's programs.

Robert Green of Rutland, a member of the Rutland High School faculty, and Franklin Black, who most recently was superintendent of schools in Fair Haven, brought many years of work in the public school field to their positions of evening reference room supervisors. Also beginning work at the library this spring as fulltime custodian was George English of Rutland.

The Director drew up personnel evaluation forms which were reviewed and approved by the library board. These forms were used individually with the members of the library staff. Present plans call for this personnel evaluation annually.

Library Financing

The City of Rutland has continued its strong support of its library. Meanwhile, the Nella Grimm Fox Fund, as it has been doing for the past ten years, underwrites all book, periodical, and audio-visual purchases. For the coming year, the City will be making a contribution to the Fox Room programming, which until now has received all of its support from the Fox Fund, with assistance from grants applied for by the Program Director. The Town of Rutland also displays its positive interest in the public library by its good support.

Inventory

The ongoing inventory of the library continues. Following the inventory three years ago of the entire adult collection, which involved closing the library for a full week, the library is updating its records each year with a one day inventory in which all of the staff participate while the library is closed. This year the adult fiction collection was reviewed in this way, all records updated, and lost titles replaced as needed.

A very successful book sale was held in the library's new basement in the summer. In the fall the Rutland Free Library was host for the Vermont Library Association's sectional meeting.

The subscriber list for "Sounds of Silence" is still expanding, as the library newsletter endeavors to keep users informed about new materials, activities and programs, and other services. Anyone who is interested is encouraged to get onto the mailing list, or to pick up the latest issues at the library, as may be preferred.

Library Board

Mrs. Donald R. McIntyre, who was President of the Board of Trustees this past year, was assisted by board officers Robert W. Beauchamp, First Vice President; Julian H. Frankiewicz, Second Vice President; Paula D. Wade, Secretary; and Paul Hardy, Treasurer.

The Bylaws Committee was headed by Thomas W. Costello, with James S. Davidson and M.S.J. student Paul Reardon its other members. Making up the Finance Committee, along with Paul Hardy, were Beauchamp, Costello, and Thomas Welch. Paula D. Wade chaired the Fox Room Committee, which also included Mrs. Robert H. Dombro, Mrs. Lee Forte, Mr. Reardon, and Mrs. Wendell Remington. The House Committee was headed by Mrs. Remington, who worked with Mrs. Richard J. Carey, Jr., Mrs. Dombro, Mrs. Forte, and Mr. Frankiewicz.

Costello also was Chairman of the Nominating Committee, working with Dombro, Remington, and Welch. In addition to Mr. Davidson, its Chairman, the Personnel Committee included Mrs. Carey, Mrs. Nick H. Carmolli, Mrs. Forte, and Mr. Frankiewicz. The members of the Planning Committee were Beauchamp, Chairman, and trustees Carey, Carmolli, Reardon, Wade, and Welch.

The Rutland Free Library account is ongoing, with new concerns each year even while established services and the demands for them continue. We look forward to being a part of this in the year ahead, and wish to express sincere appreciation to all in the City, in the Town, and in the general area who help the library to fulfill its role of public service.

Respectfully submitted,
CHARLES D. MAURER
Director, Rutland Free Library

RUTLAND FREE LIBRARY STATISCAL SUMMARY

For the Year, July 1, 1979 — June 30, 1980

Name of Library: Rutland Free Library

Date of Foundation: 1886

Adult Cassettes	168
Juvenile Cassettes	510
Juvenile Book Recordings	182
Juvenile Sound Film Strips	151
Juvenile Film Strips	62
Juvenile Puzzles	593

Health Inspector

To the Honorable City Council and
The Citizens of Rutland, Vermont

As Health Officer of the City of Rutland, I submit herewith the annual report for the fiscal year beginning July 1, 1979 and ending June 30, 1980.

The Health Department is composed of a three man Board of Health appointed by the Mayor, and a Health Officer, appointed by the State Board of Health.

Through this department is maintained the control of communicable diseases, inspection services for the maintenance of sanitary plumbing facilities, swimming pool and other places of public assemblage.

Contagious disease reporting is now done directly to the State Health Department through your individual doctor's offices. This enables the State to monitor and control contagious disease more efficiently. There were however, 36 cases of Chickenpox reported to this office and quarantines maintained.

There were several reported dog and animal bites investigated and precautionary measures taken. There were no cases of Rabies.

Free immunization clinics in the elementary schools were held through the Public Health Nurse and special Measles clinics were held in April at the Vocational School for high school children not previously immunized. There are now no children in the public schools without proper immunizations.

All interested City Employees were given influenza vaccine on October 23rd, 1979. The vaccine, Trivalent, Types A & B influenza was also given to 100 Senior Citizens in September.

A total of 620 samples of water from the City's taps were sent to the Bureau of Laboratories, Vermont Department of Health in Burlington for analysis. There was very little evidence of any contamination. This department thanks the Water Department, Mr. Harry Jasmin and Mr. Rolla Jasmin in the excellent control maintained at the watershed and the reservoir.

Several nuisance complaints were received and investigated with appropriate action taken where necessary. Again, vacant lots occupy a large share of the complaint register.

As Health Officer, I express my appreciation for the cooperation received from the Mayor, City Employees, State Board of Health and the residents of the City of Rutland.

Respectfully submitted,
J. CARLETON STICKNEY, M.D.
Health Officer

Milk Inspector

To the Honorable City Council and
the Citizens of Rutland, Vermont

I hereby submit the annual report of the Milk Inspector for the fiscal year July 1, 1979 to June 30, 1980.

Four Hundred Eighty-five Dollars (\$485.00) was collected in licenses during the year and the money turned over to the City Treasurer whose receipts I hold for that amount.

There were ten licenses issued at the Rutland Fair, 64 restaurants, groceries, cafes, bakeries, peddlers and three creameries were also issued licenses during the year.

As Milk Inspector I would like to take the opportunity to thank the producers, plant operators and State Inspector for their cooperation during the past year.

Respectfully submitted,
J. CARLETON STICKNEY, M.D.
Milk Inspector
City of Rutland, Vermont

Board of Cemetery Commissioners

To the Honorable Mayor
and the Board of Aldermen:

This past year has been uneventful - a quiet year as befits two cemeteries in their second century.

This spring one of the few remaining elm trees in West Street Cemetery dropped its last leaves and passed on to the great wood pile in the sky. Replacements are being planted yearly, mostly sugar maples.

Vandalism of grave stones is minor. More insidious is the slow deterioration of some of the softer, older stones. Many cannot be read due to weathering. Fortunately, a complete census of the stones was made almost fifty years ago by the Daughters of the American Revolution and these old stones may be read from the transcriptions made by the DAR.

The Green Mountain Workshop, a sheltered work program run by Rutland Mental Health, has again taken care of the lawns at both cemeteries. Previous to the end of this fiscal year the Board was billed periodically by the Workshop for the work done by their people on an hourly basis. This year the Board entered into an agreement with Rutland Mental Health which provides for the work being done on a lump sum basis. This new method should cut down on paper work and also will ensure a find job being done at a reasonable price.

Respectfully submitted,
G. J. CLIFFORD
F. P. ELWERT
R. A. TEDESCO
Board of Cemetery Commissioners

Police Protection

To the Honorable City Council
City of Rutland, Vermont

Ladies & Gentlemen:

I respectfully submit the Annual Report of the Police Department for the fiscal year ending June 30, 1980.

During the past year, nine new patrolmen, a new sergeant and a new corporal were appointed. A new traffic bureau clerk was also appointed. The department is undergoing a complete change. New and younger officers are replacing retired and resigned officers. The average age is now 41 years old dropping from 46 a year ago.

We have endeavored to give the officers as much advanced training as was possible. Officers were sent to an arson investigation school, police liability, sudden death syndrome, radar recertification, and CPR recertification.

We have increased and intensified our use of radar with the belief that it will cut down on the number of accidents and in the long run cause a reduction in automobile insurance.

I would like to thank all the various police agencies who have helped us in the past year. The news media has also been very helpful to the department.

I also want to express my thanks to the Mayor and Board of Alderman for the great help they have been to this department.

Sincerely,
CHARLES E. SPOON

Rutland Area Visiting Nurse Association, Inc.

ANNUAL REPORT — July, 1979 to June, 1980

To: The Honorable Mayor Godnick, City Council and Consumers

It is my pleasure as Executive Director of the Rutland Area Visiting Nurse Association to submit the 1979-1980 Annual Report for your city.

The goal of the Rutland Area VNA continues to be to improve and protect the health of city residents by providing home health services. With the Federal and State Government pushing to keep people out of institutions, our Agency continues to grow even with increasing concerns over limited funding. More people want to stay at home in time of illness and home health provides the service to make that possible.

Services that our Agency provides are: skilled nursing, physical therapy, speech therapy, occupational therapy and Homemaker-home health aide. We do home dialysis, have prenatal classes, run preventive clinics and flu clinics. We have also been involved with the Heart Association doing a hypertension program this year.

Direct services provided to Rutland City for the year are as follows:

Skilled Nursing Care	7,921 visits
Evaluation	134 visits
Physical Therapy	1,695 visits
Speech Therapy	19 visits
Occupational Therapy	169 visits
Homemaker-Home Health Aide	5,521 visits

Total Visits	15,459
Total Home Patients	476
Total Clinic Patients	284
Total Prenatal Couples	115

We continue to work closely with the hospital, Mental Health, Office on Aging, Public Health Office, Nursing Homes and all other Agencies coordinating the best possible health care to our community.

If you need help, call 775-0568. If a member of your family needs health care at home, the Visiting Nurse is only a phone call away.

It has been a pleasure to serve you. Thank you for your continued support of our services.

Respectfully submitted,
EVELYN P. DOYLE,
Executive Director

Rutland County Humane Society, Inc.

To the Honorable City Council
City of Rutland, Vermont

Gentlemen:

During the fiscal year 1979 - 1980, the Rutland County Humane Society cared for 2,625 animals at our shelter, again a slight decrease over last year. Of these, approximately 40% came from the City of Rutland.

Our total operating expenses for the year were approximately \$41,000, bring the cost per animal to about \$16. We received \$4,000.00 from the City, the balance coming from the other towns in the County, memberships, fund-raisers, and individual donations.

We continue to provide care for the dogs brought in by the City Animal Control Officer. As usual, about 25% of them are never claimed by an owner, so we attempt to find new homes for them, disposing of those that find no new homes. Humane Education programs are available to all of the elementary schools in the City at no charge. And, as usual, nuisance animals such as skunks are trapped from the City and released where they will not cause any problems. The agent answers cruelty complaints and takes any action appropriate to the situation.

The Shelter is open Mon. - Fri. 10-5, Sat. 9-1, and Sun. 1-5. Emergency service is provided when needed at any hour.

We are always grateful for the cooperation we receive from the Police, Fire Department and all City Officials.

Respectfully submitted,
THOMAS R. BROWE,
President

The Mayor's Assistant

Lew Salander has been Mayor Godnick's unpaid assistant during the four terms the mayor has been at City Hall.

The other side of Lew is a long record of municipal achievement also unpaid except for the pleasure he has received.

Just a few of his many civic accomplishments:

- The first president of the Rutland County Chapter National Conference of Christians and Jews and a founder of same.
- Past Commissioner of Boy Scouts
- A general Chairman of the United Way
- 57 year member of Elks
- 56 year member of Masons
- A chairman of the Cancer Drive
- A chairman of the United Way Drive
- Advisory Board of the Salvation Army
- Past Governor of the Rutland Chamber of Commerce
- Active in the Jewish appeal and Israel Bond Drive
- Long time active in Civil Defense
- Assisted Mayor Godnick with Emergency Fuel Fund and Transportation for the Elderly

Lew cares.

The Chaffee Art Gallery

RUTLAND AREA ART ASSOCIATION, INC.

Mayor Gilbert Godnick

City Officials

Citizens of Rutland, Vermont

The Rutland Area Art Association has two distinct roles, that of bringing good and interesting exhibits to Rutland, and to complete the purchase and restoration of the Gallery building, a landmark within the Court House Historical Preservation District.

The gallery opened this year with the first phase of "Oriental Art and Its Influence on American Art," an interesting and educational display. This exhibit was partially funded by the Vermont Council on the Arts. Phase two will be presented in 1981 and will also be assisted by matching funds from the Council. Following the opening show, there were two exhibits for the member artists, and guest exhibitors from the Guild of Adirondack Artists of Glens Falls, and The Vermont Craft Professional Association. Other events included the ever popular "Art in the Park" outdoor shows which are held annually in cooperation with the Recreation and Parks Department. The 1980 season closes with a group of solo exhibits.

There are now two associate galleries that exhibit member artist's work throughout the year. Cortina Inn and a new on-going display of art at the Marble Savings Bank in Rutland. Paintings were also shown at the Rutland Savings Bank. Special committees are in charge of selecting and arranging these displays.

To this date, mortgage and interest payments as well as all repairs and restoration have been made without federal help. Memberships, donations and contributions of money, time and services have allowed this organization to complete several formerly out of reach projects. Knowing the gallery's need for a ramp for the handicapped, Rutland Rotary Club South offered to supply the labor to construct one for us. Architect Gary Wilson donated proper construction plans. All memorial and restoration contributions have been held in a special fund. It was from this fund that we were able to rebuild and restore an abutting porch and purchase the ramp materials. Then the real work began with as many as fifteen members of the Rotary Club applying their skills. The ramp has been completed and a dedication ceremony is planned. We extend our thanks to these people and also to the Rutland Garden Club who will landscape along the ramp and who have for several seasons contributed plantings around the building. This year they have completed landscaping the parking area back of the Gallery as well as supplying fresh flowers for the events within the building. We have many more projects and would welcome assistance from other civic organizations.

For years we have been carrying drinking water to the gallery. Anticipating the collapse of the old iron pipe, we purchased sufficient copper pipe several years ago, so during the disruption caused by the removal of the sidewalk on Main Street, our City supplied the ditch and we now have clear water. The City has always supported our efforts in bringing this area center to Rutland. The Trustees appreciate the contributions made by the City and thank the Officials for granting tax exemption on the real estate and for the annual \$6,000 grant which covers part of the overhead expenses.

We are a point of interest to the traveling public, they enjoy the exhibits and the beautiful old building that houses them. After many years, we find we are still in operation with some of the same volunteers and we take this opportunity to ask for help from new young volunteers with new ideas and the willingness to promote them.

Respectfully submitted,
KATHERINE KING JOHNSON,
Chairman of the Board

Dogs and Other Animals

EXCERPTS FROM OUR DOG ORDINANCE RUTLAND CITY

Sec. 2551. Disturbance of quietude as public nuisance

It shall be unlawful for any dog owner or keeper to permit or allow his or her dog or dogs to habitually howl, bark, or in any other manner disturb the peace and quietude of the community. Such conduct is hereby declared to be a public nuisance.

Sec. 2552. Confinement

(a) The owner or keeper shall confine within a building or secure enclosure every dog, and not take or allow such dog out of such building or secure enclosure unless such dog is on leash or under control of some person, or securely attached to an exercise wire.

Sec. 2553. Impoundment: notice thereof

Dogs found running at large may be taken up by a police officer or duly authorized agent and impounded.

Sec. 2555. Penalties

Any person who violates any provision of this chapter shall be fined not less than \$10 for the first offense, not less than \$15 for the second offense, and for the third or any subsequent offense shall be fined not less than \$20 or imprisoned for ten days.

"Be sure your dog has a current rabies vaccination!"

Save time and money. License your dog on or before April 1st.

Vermont Department Of Health

Annual Report to the Citizens of Rutland City

The established mission of the State Health Department is to protect and promote the health of all Vermonters. In working towards this goal, the Vermont Department of Health has provided directly, or assured the provision of, preventive health services to communities across the state. During 1979, the following services were received by the residents of Rutland City:

2,016 elementary school children were examined by a dental hygienist and received personal oral hygiene instruction twice during the school year.

109 persons received services through Maternal and Child Health Program.

61 comprehensive health assessments including preventive health guidance were provided at Well Child Conferences.

1,089 persons received nutrition education and food supplements through the Special Supplemental Food Program For Women, Infants, and Children (WIC).

352 children underwent medical evaluation and treatment through the Early Periodic Screening, Diagnosis, and Treatment Program (EPSDT).

84 women were examined for cervical and breast cancer through the Cervical Cancer Screening Program.

Through the Handicapped Children Program, diagnosis and treatment services for orthopedic, hearing, cardiac, and other conditions were provided to 109 children.

Through the Child Development Clinic, 21 children received diagnostic and intensive follow-up services for suspected physical and/or mental retardation.

261 immunizations were given in Health Department Clinics.

114 persons received chest X-rays for early detection of lung disease through the Barre, Rutland, or other Health Department chest clinics.

The following services were provided by the Health Department laboratory in Burlington:

- 319 blood tests to identify women needing immunization against german measles (rubella) to prevent birth defects,
- 839 other diagnostic blood tests,
- 315 bacteriological and viral cultures,
- 735 tests of individual and municipal water systems to monitor drinking water quality.

14 schools were inspected for the presence of asbestos.

Statewide, 247 emergency medical technicians were trained, 344 were recertified and 61 received advanced training; 188,323 doses of vaccine were supplied to private physicians, school nurses and other health providers; 17 hospitals and 46 nursing homes were inspected and licensed; 1,880 restaurants were inspected; 4,432 venereal disease office visits and/or treatments were paid for and 745 contacts were traced; material to test 48,770 persons for tuberculosis was distributed to private physicians, public clinics, and schools; 21 x-ray machines were inspected; treatment for 20,144 children was approved and paid for in total or in part by the Tooth Fairy and Denticaid programs; and, in conjunction with Planned Parenthood, 13,380 persons received contraceptive counselling and service.

Technical assistance was provided through the office of Local Health Services to your Town Health Officer, J. Carleton Stickney, MD.

Your Town Clerk, John W. Barrett, received support and instruction in the handling of vital records from the division of Public Health Statistics.

Although no Rutland City residents participated, the following Health Department program is also available to your community:

The Flouride Rinse Program

Your participation in these programs is encouraged. Information about all Health Department services may be obtained by calling our toll free number, 1-800-642-5045, or your local district office in Rutland. The local office telephone number is 773-2411.

LLOYD F. NOVICK, M.D.
Commissioner of Health

Rutland Historical Society, Inc.

The support of the City of Rutland, its Aldermen, and its Mayor continued to be of great and useful significance to the Rutland Historical Society during the past year, and this is gratefully acknowledged. This support not only consisted of such tangibles as the City's annual grant and the use of the Museum building and the new storage capability in the Nickwackett building, but of such valued intangibles as the general interest and goodwill of the Aldermen and Mayor Godnick and his entire administration.

The inclined ramp for easy access to the Museum at 101 Center Street has been built. This was work specially voted and funded by the Board of Aldermen, and everyone has reason to be grateful: one can now roll right in! Volunteers graded some topsoil to the level of the ramp. Then Eleanor Elwert planted the flowers that have since then added such a colorful and cheery note.

Through the Summer and Fall, the Museum has been offering an exhibit on Rutland's connection to the American West. Mrs. Elwert, James S. Davidson, and others worded up an elegant and very professional display that has been widely acclaimed. Prominent elements of the exhibit are William Henry Jackson's photographs from the last century, memorabilia from the last of the Pony Express riders ("Bronco Charlie" Miller), and remarkable artifacts handcrafted by Western Amerinds. These last were collected and preserved by Ella Bean Smith Livingston, who later left them to the Society. The fancy work with colored beads and with dyed porcupine quills is most eye-catching.

In addition to volunteers from the Society's membership, the Rutland RSVP program has supplied hostess-guides for duty at the Museum. . . and none have served more often or more ably than Pauline Billado. It is a pleasure to convey the Society's and my own thanks to all these folk.

The Farm Museum down at the Vermont State Fair Grounds, which is associated with the Rutland Historical Society, was open as usual during Fair Week. Alan G. Ridlon and Arch J. Todd headed up a corps of workers and attendants, to all of whom special thanks.

"Rutland in Retrospect," the 176 page, 550 picture look at Rutland's past that was published in December, 1978 continues to attract deserved attention and sales. Robert Edward West served as chief editor and is already gathering materials for a future edition.

The Society's Publications Committee, headed by Jean Ross, actively assisted by Michael L. Austin and by Davidson and West, has not only caught up the sequence of Quarterlies, but is at work on scripts for 1981 and beyond. several issues are now at the printer and will soon be distributed.

Through June 1980, and since the last report, there have been a dozen "membership meetings," that is free programs at the Nella Grimm Fox Room

at the Rutland Free Library that were advertised in advance both to the Society's membership and to the general public. These programs were:

5 Sept. 1979, "Early Rutland County Military History; Light Artillery Project"

27 Sept. 1979, Louise Basa on "The Boucher Indian Burial Site"

24 Oct. 1979, Frank Bauer's slides on "Scenic Vermont," at the annual meeting.

14 Nov. 1979, Emily A. Ross on "Vermont Covered Bridges"

13 Dec. 1979, Giovanna Neudorfer on "Vermont Prehistory"

23 Jan. 1980, Terry Tyler on "The Windsor Rifles"

Feb. 1980, Benjamin L. Mason on "The History of the Sherburne, Museum"

March, 1980 H. Nicholas Muller, III on "The Battle Of Valcour" with videotapes.

16 April, 1980 Lauren Kelley on "Vermont Before Its Written Past"

21 May, 1980 Robert D. Thum on "Battlefields of the Civil War"

23 June, 1980 Thomas B. McDevitt on "The Clarendon & Pittsford Railroad"

Another seven meetings at this writing are either projected or have taken place during the balance of 1980 under the direction of the Society's Program Chairman, Bob West.

Under the guidance of its Library Chairman, Frederic P. Elwert, the Society's collection of historical sources and materials (books, magazines, postcards, etc.) continues to grow. We all "have our hands out" for the myriad things that must be out there, tucked away in attics or wherever. And of course we welcome the contribution of such things. Mayhap it needs pointing out that oftentimes the most ordinary things of the present are the least preserved and so the hardest to find in the future.

Finally, in part as a reminder, the Rutland Historical society is now barely over ten years old, which is far too young to have built up endowments or other funds with which to buy things. . . we are just plain dependent upon gifts. Basically it has been a "volunteer decade," including the Rutland City support. That blend has achieved a young miracle in historic preservation. While clearly the next decades will still very much need both volunteer and City help, there is now a base on which to build.

Respectfully, submitted,
SANBORN PARTRIDGE, *President*
The Rutland Historical Society, Inc.

MAYORS OF THE CITY OF RUTLAND

John A. Mead	1893

SOME GENERAL INFORMATION ABOUT OUR CITY FOR NEWCOMERS AND VISITORS

The Police Department is comprised of 44 members, a chief, a captain, a lieutenant, 3 sergeants, 2 detectives, 24 patrolmen, 4 dispatchers, an administrative assistant, records clerk, 2 meter maids, 1 animal control officer, 2 traffic clerks. The Police Department has 5 pieces of major equipment all with two way radio.

The Fire Department is comprised of 30 regular firemen, a chief, 2 assistant chiefs, 2 captains and 2 lieutenants and 10 call firemen. The Fire Department has 12 major pieces of equipment including a Rescue Vehicle.

Merchandise and materials purchased by the City must be by a purchase order obtained by all departments (except School Department). The Purchasing Agent is required to put out for bids all merchandise or materials costing \$500.00 or over.

All offices in City Hall are closed on Saturday.

No all night parking is allowed at any time during the year in the Central Business District.

All night parking in the entire city is prohibited from 1:00 a.m. to 7:00 a.m. from December 1st to March 31st, inclusive.

Hours of operation of the City Landfill may be found elsewhere in this report.

Zoning Ordinances are available at City Clerk's Office.

The Municipal Swimming Pool is located at the White Playground off Jackson Avenue.

The Chaffee Art Gallery is located on South Main Street (Route US 7).

The Rutland Free Library and Lawrence Recreation Center are located at the corners of Center and Court Streets.

The Rutland Hospital is located on Allen Street, east of U S 7.

Rutland Mental Health Service, Inc. is located at 78 South Main Street.

The Rutland Historical Society is located on Center Street.

The Board of Aldermen of the City of Rutland meet the first and third Monday of each month at City Hall at 7:30 p.m.

The Board of School Commissioners meets on the second and fourth Tuesday of each month.

Rutland is a central area of the surrounding ski country.

CITY ELECTION day is the first Tuesday in March - March 3, 1981.

Copies of individual city ordinances are available to the public.

There are ice skating rinks located in Rutland.

Power Lawn Mowers — It is a violation of City Ordinance to use power lawn mowers in such a manner that they blow grass or leaves into the street. (R. O. R. Sec. 4462).

Dog Ordinance is to be found elsewhere in this report.

Pee-Wee Hockey, Rutland Fairgrounds, call Recreation Office.

Senior Citizens Center off Woodstock Avenue.

Department of Education

To The Honorable Board of Aldermen

The enrollment in the Rutland Public Schools continues to be a matter of great significance. As schools opened this fall, the decline in enrollment at the elementary level continues at a fairly rapid rate. When school ended in June, 1980, there were 1484 elementary students. In the second week in September there was 1388, a decline of 96 students. This decline has resulted in the closing of the Immaculate Heart of Mary building, which had been leased for a number of years to house the students in what was once the Longfellow district. Except for Park Street School, which contains grades kindergarten through grade three, the entire southwestern section of the city, and the central section of the city formerly served by the Longfellow School, are without neighborhood elementary schools. There are now six public elementary schools in operation. In June of 1978 there were eight public elementary schools. Kindergarten classes which were operated in each of the eight schools in 1976-77, are now consolidated in four elementary schools. The consequences of this decline involve the breakup of the neighborhood elementary school in the city. This has meant increased busing and staff reduction. This situation is of great concern to parents and the community. The lack of any assurance that children from the same family will attend the same elementary school, or that their children will remain in one school throughout their elementary school years, is a source of great frustration. As the enrollment decline continues, however, there is the real possibility of closing yet another elementary school in the next year or two.

The enrollment decline which made itself felt for the first time in 1979-80 in the junior high school, also continues. The senior high school enrollment, which was thought would remain stable for another year or two, has also declined. The combined enrollment is down approximately 100 students over June, 1980. This has resulted in reduction of staff at the secondary level. It has also meant that after a decade of split schedules, the junior-senior high schools are now on a common school day with solid schedules. The coming and going of students throughout the day, and the loitering of students around the junior-senior high schools, has ended. This act has improved the educational environment at the two schools, and removed a great source of aggravation to the entire community.

The vocational center, which has about 700 students in June, 1980, is also experiencing a decline, opening with approximately 550 students. The vocational center, which has served more non-resident than resident students since it opened in 1974, depends heavily on tuition paying students for its financial support. The decline this year has placed serious financial strains on the Rutland system. If it continues, serious consideration will have to be given to the financial structure of the vocational center and of the obligation of the Rutland Public Schools to operate it.

The enrollment decline at all levels raises very significant issues for the system. The Board of School Commissioners has directed that a study be undertaken to assess the consequences of the decline, and to present options for long range planning.

The manner in which the school system is organized and administered has been the source of much study. This year the elementary schools have moved closer to the establishment of supervising principals. Each of the three elementary administrators is now assigned the primary responsibility for two elementary schools, while at the same time serving as an elementary planning committee to work on district-wide matters to assure continuity and consistency among the elementary schools. For two years the system has had under consideration the joining of the junior and senior high schools under a single administrative unit, instead of two separate units. The aim of this proposal is to coordinate all aspects of the curriculum, grades 7 through 12. This plan is well on the way toward implementation.

The system continues to experience serious financial problems. The tax rate for schools, fixed by charter, has required almost level funding for a number of years. In these times of double-digit inflation, the school budget has increased by modest amounts. School expenditures in 1979-80 increased 3.5% over 1978-79, and in 1980-81, it is estimated the increase will be about 5.3% over 1979-80. A number of factors operate to increase school costs. Among them are obligations to increase wages for employees, Federal and State requirements in such areas as special education and safety code compliance, escalating cost of energy, and other fixed costs such as insurance. Budget reductions made possible by staff reductions, closing buildings, enrollment decline and program elimination do not offset the increases in other areas. The community must now face the reality that the system cannot continue to operate effectively on the income provided by a \$2.20 tax rate limit, especially in the face of a sharp reduction in the number of tuition paying non-resident students.

Improvements continue to be made in the school physical plant. The school maintenance department completed an addition to Northwest Elementary School this summer. This addition provides a room for kindergarten, enabling the school library to move from the stage to the old kindergarten room, and rooms for special education services which formerly took place in storage rooms. Much credit should be given to the school maintenance department for undertaking such a large project on top of other summer maintenance work. Other projects include the replacement and insulation of the Northeast School roof, several projects to bring our buildings into compliance with safety code requirements, partitioning several rooms, and making many modifications in the buildings designed to conserve energy. The high school heating system continues to be a high priority item. To conserve energy, and to efficiently heat the building, the system must be completely overhauled. The athletic complex on Woodstock Avenue now has a track. Much appreciation is expressed to the Mayor and the Board of Aldermen for making Revenue Sharing funds available for this facility. The

Rutland school system now has one of the finest track and field events facilities in New England. Much credit is also due the the "Raider Rooters" for their continued efforts in the interest of not only this complex and school athletics programs, but of the whole school system.

The instructional programs of the school system are continually being reviewed and improved. Reading test scores at the elementary level continue to be well above the national norms as measured by standardized testing. This year the elementary program in Language Arts will be reviewed by school staff with the aim of recommending a new program for 1981-82. Title I programs, Federally funded compensatory education programs, have been available in selected "target" elementary schools since 1966. This year, for the first time, all six elementary schools are eligible for designation as "target" schools. Title I programs are also offered at the junior-senior high school, and at Christ the King elementary school and Mt. St. Joseph Academy. The secondary schools continue to offer a wide variety of course offerings. The secondary school reorganization plans provide for the combining of guidance and special education services. This part of the plan was implemented in March of 1980, and continues to be developed this year. The plan also provides for curriculum coordination on a grade 7 through 12 basis. This part of the plan was implemented in September of this year. The current plan is to bring the two secondary schools under a single administration for the 1981-82 school year. These changes are designed to improve all aspects of the secondary school program. Special education services throughout the system are being expanded to meet the needs of all handicapped students. This aspect of the school program has made great strides in recent years, and will continue. The vocational center, serving the nine high schools of the area, is also expanding its services to the adult community. A program in water treatment, designed to train adults to work in municipal water treatment facilities, was started last year. The Basic Competency Program, mandated by the State Board of Education, continues to be an important part of the school program. This year, in order to receive a high school diploma, seniors must have passed all of the competency examinations. The central purpose of the system is to offer quality instructional programs to its students. This purpose is being served, and will continue to be served, by all members of the school community.

The school system wishes to acknowledge the dedicated and cooperative attitude of its staff, of the several volunteer services offered by many in the community, of the Foster Grandparent Program, of all school parent organizations, and of the several departments of the municipal government. Without such dedication and cooperation, the school system could not operate.

THOMAS G. CHESLEY
Superintendent of Schools
